

mosquito® Head Lice Detergent

Eliminates lice in laundry – from 30°.

Application

mosquito® Head Lice Detergent is the ideal supplement for eliminating head lice and nits. It can be used with any wash program and is effective at washing temperatures as low as 30 °C.

Dosage

Add 10 ml mosquito® Head Lice Detergent (2 full measures in the screw cap - make sure to close the tab on the cap first) directly to your usual detergent.

Active ingredients

0.15g/100g geranium oil, 0.06 g/100 g margosa extract

Caution

- Not suitable in cases of allergy to essential oils.
- In the event of contact with the eyes: Carefully rinse with water for a few minutes. If possible remove contact lenses before rinsing. Continue to rinse.
- Keep the product out of reach of children.
- Can cause skin irritation. Can cause allergic skin reactions. Causes significant eye irritation.

Use mosquito® LäuseSchutzmittel with care.
Always read label and product information before use.
